## TransformerCase T16M-PD Performance

Performance Charging! For up to 16 devices - Max. 14"

Article number / SKU: TC16MHPCE1-B

Robust and sustainable  
solutions for your  
educational environment

**2 smooth-running wheels (built in) with bottom slide-system**

**Trolley system; extendable and replaceable handle with built-in fuse**

**Intelligent charging hub with automatic charging cut-off (no timer necessary)**

**-> works as overheating and overcharging protection**

**What does „Performance“ mean?**

**The Formcase Performance Series features more powerful hubs that make it possible to charge Apple iPads and Microsoft Surface devices via „fast charging“. The built-in USB-C Power delivery hub delivers up to 20W per port and is therefore more powerful than the standard variants.**

### Max dimensions per Slot:

**280 x 220 x 25mm**

**Foam free of charge individually customizable and suitable for tablets incl. protective cover**

The best thing to do is to give us your dimensions and our design team will find the right case for you with the help of our CAD programme. Generally, additional storage compartments such as a laptop compartment etc. can also be milled in.

### Article number / SKU: TC16MCUSBCE4-B

Dimensions (L/W/H)	Length 620 x Width 520 x Height 350mm
Weight	15,4 Kg
Max. Dimensions per Slot	Length 220 x Width 25 x Height 280mm
Security	4 integrated and recessed locking clips Device for padlock (Abus combination lock optionally available)
Cooling	Active cooling system; max. 31dBA, Air flow: 39m <sup>3</sup> /h
LED Charging Status Indication	Yes, Charging-> red, - Fully charged-> green
Charging Power / Current	16-port USB-C 3.0 intelligent charging hub with automatic charging cut-off & charge distribution (No timer necessary) -> Also works as overheating and overcharging protection Voltages from (5V 4A/9V 2.1A /12V 1.7A) (20W) per USB port - 100 - 240 V - 50/60 Hz - Total: 320W Integrated On/Off - (I/O) switch
Synchronisation	No
Data Transfer	No
Transport	2 integrated smooth-running wheels (built in) with bottom slide system Trolley system with extendable handle with integrated safety fuse Carrying handles on both sides and in the front (all handles are recessed)
Protective Cover	For up to 16 tablets with max. 14" incl. thick protective cover
Device Compatibility	Apple iPads + Android Tablets + Windows Devices
Connections Inside + Outside	Outside: IEC Socket + optional RJ45 connection for access point
Labelling Option	Device on the closure through transparent panel
Cable Management	Easy2connect Management - Wiring management system using the original cables
Material	Polypropylene + glass fibre composite
Delivery Scope:	1x 2m Power cord - (Version depending on the country) 1x Manual 16x Grommets for cable fixation
Applied Standards	DIN EN 55022 / DIN EN 61140 / DIN EN 55024 / DIN EN50581 / DIN EN62368-1
Certificates	CE / RoHS / REACH
Customs Tariff Number	42021250
Warranty	1 year manufacturer's warranty (Warranty extension optionally available)
Country of Manufacture	Germany
