TransformerHub H16C Pro - USB-A

Charge Only! For up to 16 devices

Article number / SKU: THH16C

Will be
delivered as
USB-A Version

**Robust and sustainable
solutions for your
educational environment**

High-quality premium product. Innovative and well thought-out design.

Perfect for use in the educational or industrial sector.

Also well suited for the healthcare sector.

Intelligent charging hub with automatic charging cut-off (no timer necessary)

-> works as overheating and overcharging protection

What does „Charge Only“ mean?

Are you currently using a Mobile Device Management (MDM) and manage your devices via WIFI? Or do you use Android/Windows based devices? Then you need a „Charge Only“ case.

The Sync function is only suitable for Apple tablets. Apple iPads that are managed with an MDM fit perfectly with our charging cases.

Technical specifications

TransformerHub H16C Pro - USB-A

Charge Only! For up to 16 devices

Article number / SKU: THH16C

Dimensions (L/W/H)	Length 440 x Width 200 x Height 44mm
